

# Overlapped

## Tee Grizzley

[Intro]

This point niggas ain't catchin' up, get over that  
Touch me and we make you an organ donor  
Boy, we over-strapped  
Count the money by myself  
I don't need help with them bands  
God, I can handle my enemies  
Just protect me from my friends  
Bulletproof all in the Benz  
I can't let 'em leave me for dead  
Uncomfortable with you be-  
Sonny rollin' grams of wax

[Chorus]

Niggas and bitches playin' me, okay we over that  
(They know we over that)  
Niggas started the money race way ahead  
They got overlapped  
(You know they got overlapped, nigga)  
Niggas and bitches playin' me, okay we over that  
(We ain't trippin' 'bout it, bro)  
Niggas started the money raise way ahead  
They got overlapped  
(We ain't been hearin' 'bout you, bro)  
Now I'm like look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like  
Look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like  
Niggas and bitches playin' me, okay we over that  
(You know I'm over that)  
Niggas started the money race way ahead  
They got overlapped  
(You know they got overlapped, nigga)  
At this point niggas ain't catchin' up, get over that  
(Get the fuck out my face)  
Touch me and we make you an organ donor  
Boy, we over-strapped  
(I'ma blow 'em away)

[Refrain]

And I count the money by myself  
I don't need help with them bands  
God, I can handle my enemies  
Just protect me from my friends  
Bulletproof all in the Benz  
I can't let 'em leave me for dead  
Uncomfortable with you behind me  
My uncle got hit in the back of his head

[Verse 1]

My niggas was broke, we used to steal out the store  
Buyin' and sharin' our clothes  
Finally rent us a Benz and they sent me down  
Got lucky it wasn't for long, out of that bitch  
Signed a gun law, I still play with them sticks  
The lawyer appeal so I won't catch a bid  
And I handle that wet like I'm back in the pit

[Chorus]

Niggas and bitches playin' me, okay we over that  
(They know we over that)  
Niggas started the money raise way ahead  
They got overlapped  
(You know they got overlapped, nigga)  
Niggas and bitches playin' me, okay we over that  
(We ain't trippin' 'bout it, bro)  
Niggas started the money raise way ahead  
They got overlapped  
(We ain't been hearin' 'bout you, bro)  
Now I'm like look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like  
Look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like

[Verse 2]

You niggas bug, why niggas hittin' me up?  
Knowin' I ain't tryna talk, don't hold bitches up  
Like baby, right after we fuck  
Get up and go straight to the car  
Keep me low key  
And control your nigga or that boy gon' die in your arms  
When I drop you off  
Don't expect a call until the next time I get hard  
We ain't gotta kick it

I don't owe ya'll niggas, ya'll don't owe me shit  
[?] with the steak and chicken  
I was just choppin' up meat sticks  
I was just in a room with a nigga that'd kill over 34 cent  
Now I'm sittin' in the Coup with a nigga  
Just ran up 30 more strips, bitch

[Refrain]

Count the money by myself  
I don't need help with them bands  
God, I can handle my enemies  
Just protect me from my friends  
Bulletproof all in the Benz  
I can't let 'em leave me for dead  
Uncomfortable with you behind me  
My uncle got hit in the back of his head

[Verse 3]

If it happened to Dex, it could happen to me  
When I shoot it, I'm makin' 'em land  
Look at what these niggas doin'  
My baby, don't listen to what niggas sayin'  
Feelin' like a drum line down in Hampton  
Look at how niggas handle them bands  
Fuck money, I'ma put pineapples over you niggas  
'Cause you niggas ham

[Chorus]

Niggas and bitches playin' me, okay we over that  
(They know we over that)  
Niggas started the money raise way ahead  
They got overlapped  
(You know they got overlapped, nigga)  
Niggas and bitches playin' me, okay we over that  
(We ain't trippin' 'bout it, bro)  
Niggas started the money raise way ahead  
They got overlapped  
(We ain't been hearin' 'bout you, bro)  
Now I'm like look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like  
Look at me now, look at me now  
Took off on them niggas like  
Look at me now, look at me now  
Still will take off on a nigga like

[Outro]

Still will take off on a nigga like

Still will take off on a nigga like  
Still will take off on a nigga like  
Look at me now
