

# Hard Workin' Man

## Brooks & Dunn

[Verse 1]

I'm a hard working man  
I wear a steel hard hat  
I can ride, rope, hammer and paint  
Do things with my hands that most men can't  
I can't get ahead no matter how hard I try  
I'm getting really good at barely getting by  
Got everything I own  
By the sweat of my brow  
From my four-wheel drive to my cowboy boots  
I owe it all to my blue collar roots  
I feel like I'm working overtime on a runaway train  
I've got to bust loose from this ball and chain

[Chorus]

I'm a hard, hard working man  
I got it all on the line  
For a piece of the promised land  
I'm burning my candle at both ends  
'Bout the only way to keep the fire going  
Is to outrun the wind

[Verse 2]

Come Friday night  
I like to party hard  
I carry on with the Cadillac cuties  
Spend my whole week's pay on some weekend beauty  
Come Monday morning I'm the first to arrive  
I ain't nothing but business from nine till five

[Chorus]

[Outro]

I can't wait to get up in the morning  
And do it all over again

Well I'm a hard living, hard working man
