Fly (feat. Alina Renae)

[Protohype](#)

[Verse]
You see, you're never gonna defeat me
Cause baby, I'm back to me now
And I can finally fly

[Pre-Chorus]
Just when I thought you can free me
You were just trying to defeat me

[Hook]
But now that you're gone, I can fly
Now that you're gone (fly)

[Verse]

[Pre-Chorus]

[Hook]
