

Lightning (feat. John Rzeznik)

Cash Cash

I was all you thought you ever needed
So you said: How'd I let this slip away?
On the floor, cold and barely breathing
So it goes!

Sleeping all my dreams away
'Till you found me Like a lightning bolt to heart
You woke me up, woke me up
Yeah, you brought me out of the dark
With just one spark, just one spark!
Now I can feel your pulse
Kick starting this lifeless soul
Like a lightning bolt to heart
You woke me up, woke me up
Yeah!

I was all you thought you ever needed
So you said: How the hell did I let this slip away?
How I lost myself?

I was stumbling right on the edge
You pulled me back, for one last dance
Yeah, I was lost on the darkest road
I need your light to lead me home! Now I can feel your pulse
Kick starting this lifeless soul
Like a lightning bolt to heart
You woke me up, woke me up
Yeah!

Like a lightning bolt to heart
You woke me up, woke me up
Yeah!

Can you feel me
Like I feel you?
Can our hearts still be together?

This is our time,
Don't you waste it

We can sing this song forever
Can you feel me
Like I feel you?

Can our hearts still be together?
This is our time,
Don't you waste it

We can sing this song forever. Now I can feel your pulse
Kick starting this lifeless soul
Like a lightning bolt to heart

You woke me up, woke me up
Yeah!
