

Rocket Man

Cammwess & John Legend

[Verse 1: CammWess]

She packed my bags last night, pre-flight
Zero hour: 9:00 a.m
And I'm gonna be high as a kite by then, oh

[Verse 2: John Legend]

Whoa
I miss the Earth so much, I miss my wife, yeah
It's lonely out in space
On such a timeless flight, oh yeah

[Chorus: Cammwess & John Legend, Both]

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh no, no, no, no
I'm a rocket man
Rocket man
Burning out his fuse up here alone

[Verse 2: Cammwess & John Legend, Both]

And all the science
I don't understand
It's just my job five days a week
A rocket man
Whoa, a rocket man
A rocket man
Hey, hey, hey

[Chorus: Cammwess & John Legend, Both]

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh no, no, no
I'm a rocket man
Hey, rocket man
Burning out his fuse up here alone, oh (Oh)
And I think it's gonna be a long, long time
I think, I think, I think
(Hey) I think it's gonna be a long, long time

(Oh, it's gonna be, yeah, yeah)
And I think it's gonna be a long, long time
Whoa, oh

[Outro: Cammewess & John Legend]
And I think it's gonna be a long, long time
Yeah
