[Kalan.FrFr.](#)

Kalan.FrFr Feat. Stunna 4 Vegas - Get In
Baby I'm tryna get in, she got some ass in them jeans
can I fit in
Beat up that p*ssy she walk like a pigeon
She going half on a pack tryna pitch in
Pull up the Lamb in the front, baby get in
What you missing baby give me the head like a split end
Make her run from the dick she conditioned
I got cheese on my eggs in the kitchen
