

# Raging In the Dancehall (feat. Feral Is Kinky)

## Endymion & The Viper

Raging in the dancehall  
Yeah, we raging in the dancehall  
Harder, faster  
Taking it ...Live hard, live strong  
Always get the last word  
Live hard, live strong  
We've got the password  
We opening up the streets  
We turning up the heat  
The city's on a lockdown and we can't sleepCome on, amaze me  
Tell me that's so crazy  
Wanna speak your mind  
When I take your time  
'Cause there's a ...  
Not everyone can pass through  
Crank up the distortion  
Proceed with cautionWe like to chill and take it easy in the yard  
But when we hit the club, AH, we have to take it hard  
We don't get lazy  
You know we go ... crazyHarder, faster, slay them out  
We raging in the dancehallWe taking it all??Yeah  
Crank up the distortion  
Proceed with caution  
Battling with exhaustion  
To feed your addiction  
We 'causing friction without any restriction  
Raging in the dancehall  
Yeah, we raging in the dancehall  
Harder, faster  
... in the dancehallYeahWe like to chill and take it easy in the yard  
But when we hit the club, AH, we have to take it hard  
We don't get lazy  
You know we go ... crazyRaging in the dancehall
