I just wanna see
I just wanna see the light
I just wanna see
I just wanna see the light
I just wanna see
I just wanna see the light
I just wanna see the light

Even if it makes me blind
I just wanna see the light
Breathe in, leave it all behind
I just wanna see the light

Even if it makes me blind
I just wanna see the light
Breathe in, leave it all behind
I just wanna see the light
