It's 50 Cent and S N double O P
You don't want no Snoop and you don't want it wit me Every time I come around they like, "Oh

I get to trippin' slap the clip up in my 44
Shit, I been through in my hood made my heart cold
I get to poppin' off that thang like I'm loco No sense in coppin' pleas

When you see my knife out
(Knife out)

Motherfuckers light out
(Lights out) Here comes Snoop
(Oh shit, oh no)

Sup, nigga, sup, now
(Oh no)

Ricky Ticky Timble, C's is the symbol
Courdoroy khakis, stacies and brimmed up
Straight razors just to keep you trimmed up
