And if you owe me count its change on yo brain

Opps lucky D-Rose ain't home cause shorty he insane

You give us hurb me and Ballout gon' smoke the whole thing

Me and Almighty riding fast with alot of money driving switching both lanes

[Hook: Capo] [x2]

[Verse: Ballout]

She like Ball who you came with? Bitch its the Glo Gang

Bitch so dumb she don't even know my whole name  
If you want a verse from Bally you gotta pay the whole thing  
I'm still in the trap breaking down whole things  
Glo Gang bitch or no gang  
Bally out here snatchin' gold chains  
If you want some work you gotta pay the whole thing  
I got what you want bitch I got everything  
Cocaine or maryjane  
I got pills I got lean I got everything  
In the trap with Capo bitch we sellin' everything  
Book us for a show we gon' sell out on everything  
Glo Gang

[Hook: Capo] [x2]
