

Written On Her (feat. Jay Sean)

Birdman

Yeah, Birdman
Just like that Yeah, she got
Her swag on lean
The way she dancin on me
Can tell that she a queen
Her mama wouldn't like it, her daddy wouldn't either
The way she grindin on me - you can tell shawty's a keeper She got it written on her, aye aye
aye aye ahh
She got it written on her, aye aye aye aye ahh
She got it written on her, aye aye aye aye ahh
She got it written on her, aye aye aye aye ahh
(Yeah... All red... yup)
Gucci bag poppin tags
New crib brand new jag
Birdman party shine
Bad bitch all the time
Stay fly, ride fly
I'm stuntin', stay high
Straight G, just like that
Throw 100, bounce right back Red hot, hard top
Cash money hard knock
Bently frame, drop top
50 G's, the bottles pop Iced out, so we chill
Tunin' up every automobile
Tatted up, life of a G
- 5 Starred [?]
Yeah, she got
Her swag on lean
The way she dancin on me
Can tell that she a queen
Her mama wouldn't like it, her daddy wouldn't either
The way she grindin on me - you can tell shawty's a keeper She got it written on her, aye aye
aye aye ahh
She got it written on her, aye aye aye aye ahh
She got it written on her, aye aye aye aye ahh
She got it written on her, aye aye aye aye ahh Yeah yeah

Yeah I'm livin fast
Yeah I'm gettin cash
I need a bitch that's bad

We slammin phantom doors

She be like drive slow
We burnin purple smoke I said I'd never fold
I promise not to stop
Just like my rolls royce
The way that girl drop
I need a hot girl
The way the girl hot
Dollar signs tatted on her
On her private flight Yeah, she got
Her swag on lean
The way she dancin on me
Can tell that she a queen
Her mama wouldn't like it, her daddy wouldn't either
The way she grindin on me - you can tell shawty's a keeper She got it written on her, aye aye
