Anywhere you go, I'll be right there
Anywhere you go, I'll be right there

From the moon to the stars
You can show me the way, I'll follow
This is who, who we are, who we are

Anywhere you go, I'll be right there
Anywhere you go, I'll be right there
I will
(Anywhere you...)

[Break]

Anywhere you go, I'll be right there
Anywhere you go, I'll be right there

[Instrumental Bridge]

Anywhere you go, I'll be right there
Anywhere you go, I'll be right there

[Chorus]

Anywhere you go, I'll be right there
Anywhere you go, I'll be right there
Anywhere you go, I'll be right there
Anywhere you go, I'll be right there
I will
