

# In the Summertime (feat. Rayvon)

## Shaggy

SHAGGY: In the Summertime It's a summertime affair

Shaggy ha

Rayvon

Sun and fun in the

Atmosphere, oh yes

In the summertime when

The weather is high

You can stretch right up

And touch the sky

When the weather is fine

You've got women

You've got women

On your mind

I'm gonna drive and ride and

See now what I can find

Now if her daddy's rich

Take her out for a meal

And if her daddy's poor

Then do as you feel

Speedin down the lane even

Thought the speed limit's 25

And when the sun goes down

I'll make it with my cutie pie Weh me say

Pretty little women

Sexy as can be

Sweet as a honey

Sting like bumble bee

Shaggy say

Pretty little women

Sexy as can be

Sweet as honey

Sting like bumble bee

(Rap:)

It's a summertime affair

In the atmosphere

I man love off her attire

And the clothes she wear

Some burn off them with tyre

And a draw down a gear

Some a shine up wax up

Not a sign of snare

Got to be rolling in my

Christas so the girl them stare  
This is Shaggy and Rayvon  
As your ultimate pair  
Taking care of our career  
So tell the world beware  
'Cause it's a brand new  
Selection for your musical ear  
We say what we want and  
We say what we need  
And we love everybody  
And we do as we please  
And when the weather is fine,  
We go fishin' we  
Go fishin' in the sea  
We are happy to live life  
That's our philosophy  
Now if her daddy's rich  
Take her out for a meal  
And if her daddy's poor  
Then do as you feel  
Speedin down the lane even  
Thought the speed limit's 25  
And when the sun goes down  
I'll make it with my cutie pie  
Sweat a run off her body  
With her caramel skin  
I man smiled at her she  
Looked at me and grinned  
I offered her a drink she said  
Juice and Gin  
And I whispered in her ear  
I asked how you doin  
Where was it that I reside  
And I told her Brooklyn  
Atmosphere filled with romance  
Her eyes sparkling  
Just her voice and what  
She said let my poor head spin  
Raggamuffin Shaggy  
With a musical swing  
I say  
Pretty little woman  
Sexy as can be  
Sweet as a honey  
Sting like bumble bee  
Pretty little woman  
Sexy as can be  
Sweet as a honey  
Sting like bumble bee  
In the summertime  
When the weather is high  
You can stretch right up  
And touch the sky

When the weather is fine
