

# Freak Like Me

## Mayra Veronica

[Intro]

Yeah, yeah, yeah  
My mind, read my mind

[Verse 1]

Strolling past my table (ah, ah)  
Like something from a dream (oh)  
You got my senses whirling (ah, ah)  
You stole the breath from me

[Pre-Chorus]

Extra sensory overload  
My heart is beating fast  
My world it keeps on spinning  
My heart's still beating fast  
Gotta make a move right now, now, now  
Can't let this moment pass  
Right now, now, now, now

[Chorus]

Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind

Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind

[Verse 2]

I may be cold on the outside (ah, ah)  
But I'm burning up inside (oh)  
I got some x-ray vision (ah, ah)  
I'm gonna make you mine, mine, mine, mine, mine

[Pre-Chorus]

Extra sensory overload  
My heart is beating fast  
My world it keeps on spinning

My heart's still beating fast  
Gotta make a move right now, now,now  
Can't let this moment pass  
Right now, now, now, now

[Chorus]

Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind

Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind

[Bridge]

Come a little closer I may just take my time  
Let you chase me til' you're caught is what I have in mind  
Come a little closer, I may just take my time  
Let you chase me til' you're caught, is what I have in mind

[Chorus]

Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind  
Follow Me, follow Me, follow Me  
Follow me down to the floor  
If you could read my mind, you'd be begging for more  
On the table against the wall  
You'd lock up all the doors  
You've never met a freak like me, if you could read my mind
