

# Here 2 China (feat. Dizzee Rascal)

## Calvin Harris & Dillon Francis

In the hasty get away, hop in the back of day  
And every way to yesterday  
I guess there's nothing left to say  
Getting in from here to china, getting in from here to china  
Getting in from here to china, getting in from here to china  
From here to china x 4  
Wind in my face, spinning in Versace shades  
Wearing a fresh pair of gaze  
Looking I cough just been paid  
Stupid I don't play no games  
Switching out lanes on these lames  
Switching out lanes and putting up planes  
No I can't be contained  
Plus I'm raw and untamed  
I'm so far from my game, getting ghost is my aim  
I suggest you do the same  
Taking a trip out to Spain, with my girl Mary Jane  
And she stays on my brain, lots of big gravy train  
Paparazzi on my case, even chase,, in my face  
All up in my space, gotta pick up the pace  
Singing amazing grace, I'm in an amazing place  
With crazy peeps, I ain't lie,,  
Hoping for my brakes, making no mistakes  
, we just get on with it  
You, are constipated and your shit is overrated, you should save it  
Getting in from here to china, getting in from here to china  
Getting in from here to china, getting in from here to china  
From here to china x 4
