

# Be the One

## Dua Lipa

I see the moon  
I see the moon  
I see the moon  
Oh when you're looking at the Sun  
Not a fool  
I'm not a fool  
Not a fool  
No you're not fooling anyone Oh but when you're gone  
When you're gone  
When you're gone  
Oh baby, all the lights go out  
Thinking oh that, baby, I was wrong  
I was wrong  
I was wrong  
Come back to me, baby, we can work this out  
Oh baby come on, let me get to know you  
Just another chance so that I can show  
That I won't let you down, oh no  
No I won't let you down, oh no  
Cause I could be the one  
I could be the one  
I could be the one  
I could be the one I see in blue  
I see in blue  
I see in blue  
Oh and you see everything in red  
And there's nothing that I wanna do for you  
Do for you  
Do for you  
Oh cause you got inside my head  
Oh but when you're gone  
When you're gone  
When you're gone  
Oh baby, all the lights go out  
Thinking oh that, baby, I was wrong  
I was wrong  
I was wrong  
Come back to me, baby, we can work this out Oh baby come on, let me get to know you  
Just another chance so that I can show  
That I won't let you down, oh no  
No I won't let you down, oh no  
Cause I could be the one

I could be the one I could be the one  
Be the one, be the one  
Be the one, be the one  
Be the one, be the one  
I could be the one  
Be the one, be the one  
Be the one, be the one  
Be the one, be the one  
I could be the one  
Be the one, be the one  
Be the one, be the one  
Be the one, be the one  
Will you be mine? Oh baby come on, let me get to know you  
Just another chance so that I can show  
That I won't let you down, oh no  
No I won't let you down, oh no  
Cause I could be the one  
I could be the one  
I could be the one
