

# Power is Power

## SZA & The Weeknd & Travis Scott

[Verse 1: The Weeknd]

I was born of the ice and snow  
With the winter wolves, in the dark, alone  
The wildest night, I became the one  
And you'll know you're mine when the silence calls [Pre-Chorus: The Weeknd]  
Heavy is the crown only for the weak [Chorus: The Weeknd]  
A knife in my heart couldn't slow me down  
'Cause power is power, the fire never goes out  
I rise from my scars, nothing hurts me now  
'Cause power is power  
Now watch me burn it down

[Verse 2: SZA]

I went down for the coldest one  
And I know I'll win 'cause I played before, yeah  
I don't know with whatever you say  
I don't know if we need it your way  
You wouldn't take my place  
Put me away, I die lookin' up at your face  
How do I ever know? Who can I trust?  
Feelings of emptiness  
Only love could kill me, God bless [Chorus: The Weeknd, The Weeknd & SZA]  
A knife in my heart  
Couldn't slow me down (Couldn't slow me down)  
'Cause power is power ('Cause power is power)  
The fire never goes out  
I rise from my scars  
Nothing hurts me now (Nothing hurts me now)  
'Cause power is power ('Cause power is power)  
Now watch me burn it down

[Verse 3: Travis Scott]

Breathe, feel the air that I breathe (Yeah)  
Air that I, air that I breathe (Ooh)  
Who's hotter? Been a monster with a crown (Ooh)  
Soul-swapper, high water, keep your head up, you might drown (Ooh)  
Hit as well, it's way colder, by the day, we count it down  
Been around, just been waitin' up, she gon' come around  
I took a drag, bust it out the gate, smile lil baby, slay  
I wore a flag, put that on my face, ain't nobody safe  
Lift the mask, they gon' have to see what they can't erase  
I took a life, so I took it back (Do-do-do-do-do, yeah)  
Danger's on my mind (Ah)  
Ain't no knife, dagger, bullet that can do it

'Fore you even know, oh, yeah, she'll do it, yeah, yeah (Ah)[Pre-Chorus: SZA]  
Heavy is the crown, but never for a queen (Oh yeah)[Chorus: SZA & The Weeknd, The  
Weeknd, & Travis Scott]  
A knife in my heart  
It couldn't slow me down (Couldn't slow me down)  
'Cause power is power ('Cause power is power)  
The fire never goes out (Oh)  
I rise from my scars (Yeah)  
Nothing hurts me now (Nothing hurts me now)  
'Cause power is power ('Cause power is power)  
Now watch me burn it down (Ooh, yeah, yeah)  
Now watch me burn it down
