

# Hold Me Close (feat. Ella Henderson)

Sam Feldt

Voices in my head sing, la la la la la, la la la  
Voices in my head sing  
Hold me innocently Suddenly, it's so damn quiet  
Voices in my head still sing And I think that I drank too much and it's Sunday morning  
You lay back like nothing in your head is throbbing  
It's too late so let's stay in bed and talk 'bout nothing  
It's like paradise with you Hold me close, la la la la la, la la la  
Let's stay home, la la la la la, la la la  
I never leave and I wouldn't believe that I have to go  
Hold me close, hold me close  
Yeah, yeah, yeah (ooh hold me closer)  
Yeah, yeah, yeah  
Hold me close, hold me close Doorbell in my flat sings, la la la la la, la la la  
Wonder who could that be  
Now I'm gonna let him take me, na na na na na, na na na  
Right where I should be now And I think that I drank too much and it's Sunday morning  
You lay back like nothing in your head is throbbing  
It's too late so let's stay in bed and talk 'bout nothing  
It's like paradise with you Hold me close, la la la la la, la la la  
Let's stay home, la la la la la, la la la  
I never leave and I wouldn't believe that I have to go  
Hold me close, hold me close Yeah, yeah, yeah (ooh hold me closer)  
Yeah, yeah, yeah  
Hold me close, hold me close  
Wanna stay, never leave  
Keep your body next to me  
Like your mine, for all time  
Keep you warm when it's cold outside  
Wanna stay, never leave  
Keep your body next to me  
Like your mine, for all time  
Keep you warm when it's cold outside Hold me close, la la la la la, la la la  
Let's stay home, la la la la la, la la la  
I never leave and I wouldn't believe that I have to go  
Hold me close, hold me close Yeah, yeah, yeah (ooh hold me closer)  
Yeah, yeah, yeah  
Hold me close, hold me close Voices in my head sing, la la la la la, la la la  
Voices in my head sing
