DUCKWRTH

Way
WayOh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
I get an instant reaction
Feels like anything could happen
I'm tapping in, yeah I'm blacking
We ready for paper stacking
Adding up all of the facts in
Ready to ride, yeah we packed in
We take it down to the wire
Lifted, yeah, we getting higher
Moving only to inspire
You preach, I preach to the choir
It's something you can't deny
You keep on fighting, no cryingForget what they say
You gon' find your way
Yeah, ee-ee
Yeah, ee-ee
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)Yeah, this is no overreaction
Miracles can always happen
Had some niggas that was trapping
Couldn't leave what they was trapped in
Found their way up out the bando
Didn't want to find a casket
Thought that I was living lavish
Some would say that I was savage
I was lost up in the madness
Popping bottles, chasing ratchets

Now I'm really 'bout that action
Dropping pins all on the atlas Forget what they say
You gon' find your way
Yeah, ee-ee
You gon' find your way
Yeah, ee-ee
Yeah yeah yeah Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way) Super good, I feel cool
Speeding through life, growing my IQ
Dancing in the mirror, see I'm like you
Surfing on balance, tough glue on my shoe
Give me ears, I'm rowdy
Awake the zombies
Land of the sun, where the children song-sing
Rage in the air, I need peace of mind please
Breathe in the light, keep my demons 'round me
It's all apart of the plan
I tough, I fight
I big up my friends
I put in my time
I water my plants
I elephant chant
Cross nebula sand
I solid, I flow, I dream
I, I high self esteem
I fly (I fly)
I search (I search)
I'm finding my way (My way, yeah)
Yeah, I'm finding my way Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh
We gon' have to find a way (Way)
We gon' have to find a way (Way)
Oh, oh, oh-oh-oh-oh, oh, oh, oh
