

That's Why We Fight

Ella Langley & Koe Wetzel

[Verse 1]

You know it pisses me off
When it's 3 AM and you come home drunk from the bar
And I know you hate
When my phone lights up from an ex and you get left in the dark

[Pre-Chorus]

I drive you crazy, you drive me out my mind
But, baby, we do one thing right

[Chorus]

That's why we fight, put lightnin' in the sky
Start smashin' every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Mm, that's why we fight
Yeah, that's why we fight

[Verse 2]

W? know we don't work
If somethin' don't break and som?body don't slam the door
Ain't like we ain't tried to kiss and apologize
No, that ain't our style, we ain't good at playin' nice anymore

[Chorus]

That's why we fight, put lightnin' in the sky
Start smashin' every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Oh, that's why we

[Bridge]

That's why we fight
Yeah, that's why we fight
I drive you crazy, you drive me out my mind
But, baby, we do one thing right

[Chorus]

That's why we fight, put lightnin' in the sky
Start smashin' every bottle we keep bottled up inside
I take it out on you, take it out on me too
Yeah, we know some hell takes us to heaven every time
Mm, that's why we fight
Yeah, that's why we fight
