

Over You

Cassadee Pope

Weather man said it's gonna snow
By now I should be used to the cold
Mid-February shouldn't be so scary
It was only December
I still remember the presents' the tree' you and me
But you went away
How dare you?
I miss you
They say I'll be ok
But I'm not going to ever get over you
Living alone here in this place
I think of you' and I'm not afraid
Your favorite records make me feel better
Cause you sing along
With every song
I know you didn't mean to give them to me
But you went away
How dare you?
I miss you
They say I'll be ok
But I'm not going to ever get over you
It's really sinks in when I see it in stone
Cause you went away' how dare you?
I miss you
They say I'll be ok
But I'm not going to ever get over you ever get over you
