

Alone (feat. Jacquees)

Dave East

I can't leave you alone
You got me fiendin' (Fiendin', fiendin')
Got me going crazy (Yeah, yeah)

I can't leave you alone (Nah, nah)
You got me fiendin'
And I'm thinking and I'm dreaming about your love (Yes, ma'am)
Double cup how I'm drinkin' (Yeah)
Oh, girl, you got me fiendin' (What?)
Yes, ma'am, come move into my palace (Yeah)
Then let me change your address
I can't

I cannot leave you alone
She said, "Call me when you be alone"
'42, I don't drink no Patron
I can't wait 'til I get you alone (You got me fiendin')
I can't wait 'til you get out them clothes
Got your nails done and they matchin' your toes
I'm tryna be committed, Ma
Just let me hit it before I get back on this road (Oh yeah)
She text my phone, say she all alone and she got a room at the Westin (Yes, ma'am)
I hope she got over that attitude
I tried to send a DM to her best friend (Yes, ma'am)
She left my name at the front desk
Got an extra key when she checked in (Oh, oh)
No panties on, only sweats
I know we 'bout to make a mess
I don't wanna sound like I need you
But it's so hard to leave you alone
I was thirsty for the kill for real
It felt like I needed to bone
Two numbers just to keep in touch
It be so hard to keep up with phones
It been so hard to get out my zone
Three car garage and new key to my home
I like to fuck her to Jodeci (Yeah), she down to ride
If I gotta slide, fuck it, I might let her go with me
Go put on some clothes, you can roll with me
This time, I do not got the bro with me
She get on top of me, she started chokin' me
I guess she think she controllin' me

After we done, let her smoke with me (Come on)

I can't leave you alone (Can't leave you alone)
You got me fiendin'
And I'm thinking and I'm dreaming about your love
Double cup how I'm drinkin' (Ooh, ooh)
Oh, girl, you got me fiendin', yes ma'am
Come move into my palace (My palace)
Then let me change your address (Your address)

I can't leave you alone (Leave you alone)
Ooh, you got me fiendin'
And I'm drinkin'
Double cup, thinkin' about your love, oh

I hope she can see that I'm grown
Her body got me in the zone (Can't leave her alone)
We ain't gotta speak on the phone
As soon as I see her, it's on (Can't leave her alone)
I like to look at it while I'm up in it
These lights, we keeping 'em on (On)
She got tired of sleepin' alone (Alone)
On God, I can't leave her alone (Right?)
I do not wanna leave her alone (Nah)
Her body got me in the zone (Can't leave her alone)
We ain't gotta speak on the phone
As soon as I see her, it's on (Can't leave her alone)
I like to look at it while I'm up in it
These lights, we keeping 'em on
She got tired of sleepin' alone (Alone)
On God, I can't leave her alone

I can tell you never felt like this in your entire life
Let me get some pussy right before I go outside tonight
You look like you got some good head, you not Blac Chyna type
She not out here fuckin', I can tell that 'nani extra tight

Pack your bag and catch a flight
Rub you down with oils
Ain't no need for paramedics 'cause your body gettin' stretched tonight
I ain't here to stress your life
I'm not the detective type (Detective type)
You knew I was holdin' so don't act surprised, I

I can't leave you alone (Can't leave you alone)
You got me fiendin'
And I'm thinking and I'm dreaming about your love
Double cup how I'm drinkin' (Ooh, ooh)
Oh, girl, you got me fiendin', yes ma'am

Come move into my palace (My palace)
Then let me change your address (Your address)

I can't leave you alone (Leave you alone)
Ooh, you got me fiendin'
And I'm drinkin'
Double cup, thinkin' about your love, oh

I can tell you never felt like this in your entire life
Let me get some pussy right before I go outside tonight
You look like you got some good head, you not Blac Chyna type
She not out here fuckin', I can tell that 'nani extra tight

I can't leave you alone
You got me fiendin' (Fiendin', fiendin')
Got me going crazy
