

Volcano

Jimmy Buffett

Now I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
let me say now
Now I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
Ground she's moving under me
Tidal waves out on the sea
Sulphur smoke up in the sky
Pretty soon we learn to fly
let me hear ya now
I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
Now my girl quickly said to me
Man you better watch your feet
Lava come down soft and hot
You better love-a me now or love-a me not
Let me say now
I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
Mr. Utley!(music break)
No time to count what I'm worth
Cause I just left the planet earth
Where I go I hope there's rum
Not to worry man soon come
Now I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
One more now
I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
But I don't want to land in the New
York City
I don't want to land in Mexico
I don't want want to land on no Three Mile Island
I don't want to see my skin aglow
I don't want to land in Commanchee sky park
Or in Nashville, Tennessee
I don't want to land in no San Juan airport
Or in Yukon Territory
I don't want to land in no San Diego
I don't want to land in no Buzzard's Bay
I don't want to land on no Ayatolah
I got nothing more to say
I don't know
I don't know

I don't know where I'm a-gonna go when the volcano blows
Just a one more I don't know
I don't know
I don't know where I'm a-gonna go when the volcano blows
