

# Life Lines (feat. DUCKWRTH & Terrace Martin)

## Jean Deaux

[Chorus: Jean Deaux & DUCKWRTH]

I can't read your damn mind

But when I hold your hand, I

I can feel you

I can feel your life lines

I can't read your damn mind

But when I hold your hand, I (Hey)

I can see you (I can see you, I can see you)

I can see you (I can see you, I can see you)

I can see you

[Verse 1: Jean Deaux]

She don't love nobody

Still take care your body, it's insane

He just wants my body

I can't date no zombie, not my lane

Can't wait in your lobby

Fuckin' ain't no hobby, up your game

If you see somebody

Not just anybody, don't say names

I gotta let go of rage

If I wanna turn that page  
Loving me down  
The build up is in my veins  
If I wanna sing your name  
Loving the way you taste  
The blessing comes down, no praise

[Chorus: Jean Deaux & DUCKWRTH]

I can't read your damn mind  
But when I hold your hand, I  
I can feel you  
I can feel your life lines  
I can't read your damn mind  
But when I hold your hand, I (Hey)  
I can see you (I can see you, I can see you)  
I can see you (I can see you, I can see you)  
I can see you

[Verse 2: DUCKWRTH]

Tell me what's on your mind, stressin' you this evening (Why?)  
I am not a palm reader, yeah  
And I do not know telepathy (Nope)  
So tell me what you stressin', you ain't gotta tell me everything  
But if you tell me nothin', shorty I ain't singin' anything  
And you gon' tell your best friend everything

Apparently, that's that type of shit that "bring Black folk down"

Shit, or even if your skin ain't brown

Quit, don't be all petty Betty

Stuck in your ways like peanut butter without no jelly

You ain't no gangsta, "Thug Life" tatted on your belly

You wearin' Band-Aids on your heart make you look like Nelly

Then you said hold your hand, like you tryna slow dance

You on that conscious shit, tryna put me in a trance

You said you can't read my mind... shit...

[Chorus: Jean Deaux & DUCKWRTH]

I can't read your damn mind

But when I hold your hand, I

I can feel you

I can feel your life lines

I can't read your damn mind

But when I hold your hand, I (Hey)

I can see you (I can see you, I can see you)

I can see you (I can see you, I can see you)

I can see you

[Outro]

Something got you off in your life, somebody got at you wrong, there's some other shit going on over there that I don't see. You see what I'm saying? Like, I see what you're saying, and I feel you

I feel like...

Matter of fact, I agree with you, matter of fact

Nah, I agree with you too, but...

That's what I'm saying, I agree with you

I feel like what you're describing is like, literally empathy, like being empathetic, like... instead of reacting or taking something personal when somebody be on some bogus shit to you, like damn... you probably going through some shit, you prolly, you know what I'm saying? You got something going on in your life

Nah, 'cause that's where it stems from, like... thats where that...

Because you know how you feel when you, exactly

Yeah, I know how, I know how I'm feeling

That's you empathizing with them

I'm just saying I know when I'm feeling nothing. 'Cause I'm lowkey square right now

Right

And I know you feeling something, I know the reason you giving me off is 'cause you not

square about something, but I ain't did shit to you, so I know it's about something else
