## Rich Gang

Rich Gang!  
Rich girl  
We got London on da Track I show love, I show love  
I-I show love, I show love  
I-I show love, I show love  
I-I show love, I show love  
Yeah, yeah My people tell me they love me  
Showing up in my shows  
Man, I'm still down and I'm thuggin'  
And everyone of y'all knows  
I show love, I show love, yeah  
I show love, I show love, yeah, yeah  
Still down for my niggas  
Still down with my bitches  
Wanna drink somethin', wanna smoke somethin'  
Wanna turn up then I'm witcha  
I show love, I show love, yeah  
I show love, I show love, yeah, yeah  
I show love to my dogs, my dogs is all that I got  
Cause where the fuck would I be  
If it wouldn't have been for my block?  
Standing up in the hall, I got my first experience with rocks  
Then on came them laws and almost everyone done got knocked  
It still feel like yesterday when Magnolia Slim got shot  
I don't know why they got 'em though  
Cause that ain't the way that he rock  
I told Ms. Linda "I got you baby, my heart is yours til it stops"  
I do this cause I got real love, I don't do this shit to get props  
Hurricanes, it took everything, but there's money still to be got  
I'm staying here and I ain't never leaving, I'mma live in here 'til I rot  
Haters always gon' talk about you, ain't will never make it on top  
Quick to tell you they real with it  
And that's everything that they not  
Slim and Baby that's my uncles  
Man, I'm glad they brought me back  
And Lil Weezy that's my brother  
Fuck with him you gon' get whacked  
GTV inside my cup and I got Trukfit on my hat  
Screaming "Free BG" I wish he was here now to blow this sack  
Turk and Mannie I got love if we don't ever make a track  
Yeah, they tore down the Magnolia but this where my heart is at  
All my homies, bitch, we ballin', no more roaches, no more rats

Taking pictures with the hoes and poppin' bottles of the 'gnac  
I hug all of these females, I greet my niggas with daps  
I holla at my old timers, I like the way they react  
I don't care what set you claim, there's love here so relax  
Reaching out to my family to spend holy time in these traps
