

Sweet Honey

Peyton

I know it's getting kinda late
But I just wanted you to stay
I want you to myself always
If I could I'd lock you in a cage
I never want you to go, away from me
'Cause you're my sweet

Honey
Sweet Honey
You're so sweet
Sweet honey

Honey
Sweet honey
You're so sweet
Sweet Honey

I can't take my hands off you
I can touch the stars when I'm with you
You're the sun and I, I am the moon
Did you know your kisses taste like

Honey
Sweet honey
You're so sweet
Sweet honey

Honey
Sweet honey
You're so sweet
Sweet honey

Maybe I'm a little too much
But I lose my mind every time that we touch
I'm stuck on you I just can't get enough
You're made of sweet doses of

Honey
Sweet honey
You're so sweet
Sweet honey

Honey

Sweet honey
You're so sweet
Sweet honey
Heey ey heey ey
Heeyyy heeyyyy ey
