

Sirens

LANKS & Fossa Beats

[Verse 1]

It's only been a year
But when I'm sitting still
I feel its hold
Sinking into you
I'm running from the truth
Down a long road

[Pre-Chorus]

When you're not around me
I'm slowly drowning
I try to reach out for you
We're all alone together
Our hearts are both tethered
But am I relying too much on you?

[Chorus]

Garden, let me grow again
The sirens called me out to here
I found myself in deep again
The sirens called me out to here

[Verse 2]

It's only for a eek
But when I hear you speak
I try to hold on
Cut into the stone
Tattoo on my bones
Let your weakness in

[Pre-Chorus]

When you're not around me
I'm slowly drowning
I try to reach out for you
We're all alone together
Our hearts are both tethered
But am I relying too much on you?

[Chorus]

Garden, let me grow again
The sirens called me out to here
I found myself in deep again

The sirens called me out to here

[Bridge]

You keep me from doubting myself
You keep me from doubting
You keep me from doubting myself
I want you around me

[Chorus]

Garden, let me grow again
The sirens called me out to here
I found myself in deep again
The sirens called me out to here
