

Saved

Khalid

2, 3, 4
The hard part always seems to last forever
Sometimes I forget that we aren't together
Deep down in my heart, I hope you're doing alright
But from time to time I often think of why you aren't mine
But I'll keep your number saved
'Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
'Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do
Now, I can't say I'll be alright without you
And I can't say that I haven't tried to
But, all your stuff is gone
I erased all the pictures from my phone
Of me and you
Heres what I'll do
I'll keep your number saved
'Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
'Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do
I hope you think of all the times we shared
I hope you'll finally realize I was the only one who cared
It's crazy how this love thing seems unfair
You won't find a love like mine anywhere
But I'll keep your number saved
'Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
'Cause I hope one day I'll get the pride to call you
To tell you that no one else
Is gonna hold you down the way that I do
But I'll keep your number saved
'Cause I hope one day you'll get the sense to call me
I'm hoping that you'll say
You're missing me the way I'm missing you
So I'll keep your number saved
'Cause I hope one day I'll get the pride to call you
To tell you that I'm finally over you

I'm finally over you
