

# Come On Closer

## Jem

Come on closer  
I wanna show you  
What I'd like to do  
You sit back now  
Just relax now  
I'll take care of you  
Hot temptations  
Sweet sensations  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you  
Gonna take it slow, babe  
Do it my way  
Keep your eyes on me  
Your reaction  
To my action  
Is what I want to see  
Rhythmic motion  
Raw emotion  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you  
And now you're satisfied  
A twinkle in your eye  
Go to sleep for ten  
And anticipating  
I will be waiting  
For you to wake again  
Hot temptations  
Sweet sensations  
Infiltrating through  
Sweet sensations  
Hot temptations  
Coming over you  
(When you wake up)  
(We'll do it all again)  
(When you wake up)  
(When you wake up)  
(We'll do it all again)  
(When you wake up)  
Hour after hour  
Of sweet pleasure  
After this, I guarantee  
You'll never wanna leave  
Shut your eyes and think about

What I'm about to do  
Sit back, relax, I'll take my time  
This lovin's all for you
