

The Last Cypha

The Cross Movement

[Hook] move on up | one by one | we ain't gonna stop until the work is done [Phanatik] from the days of - | all the way to - | we scream (yes Lord) | and we pressin' forward | hell can't stop the advance | this is not a game boy | you do not understand | beware when these scholars meet on the beats | pepare yourself (for what) | theology meets the streets (naa mean) | it's almost like the theophanies | that everyone's waiting to see | like the CD from Hazakim | if you don't understand what I dropped in these rhymes | catch me online @ christian-hip-hopper-dot-com [Trip Lee] Ay these cats be killin' it in the past | now they passin' the baton | we rap with the same passion ... | we been passed our little raps about our fashion and our garms | we make tracks about the life that's everlasting in the Son | and that's that | since there's still cats in need of this truth | we either | meet em in the streets or spit some heat in the booth | Lord we ain't letting up so let us lead em to You | we ain't leaving | we seeking to feed em some truth | the point being we ain't quittin' | Christ is runnin' the spot | so we stayin' on duty we ain't punchin' the clock [The Tonic] God made me blessed dark and ebony | opposite of brevity | who in this game gon tell me bout longevity | if I had my way | I'm going till I'm 70 | return to King Jesus | the only thing will settle me | I said that to say that | I'm qualified to say this | God got some young bucks coming for your playlist | and they don't play dat | they know what it's hittin' for | know God's word and know what it's written for | the present position is so significant | loyal bond-servants of His Most Magnificent [R-Swift] I go by the name of " " | quote quote no name cause | compared to His name I'm nameless (no brainer) | stepped out of His frame just to place His blameless frame up | till He was frameless to save us | we don't need handclaps and accolades | when man's appetite is for sin | the hell is the aftertaste | cats is after the rat-race | chasing the fast way | facing the crash | chasing this rat at a fast pace | we promote the Lord's hope to the hopeless | provoke by .. fo sho it's dopeness [T.R.U.-L.I.F.E.] listen you can | trip if you want to | I'm just getting started | I been about the Lord's business since the day I was Fathered | when I aim for the target I don't plan on missing | cause my mission | keep my heart focused on the harvest | believe it or not | the sweetest to me | I get to pass on the baton to M-A-C | I told him stand on the truth cuz .. | you're not just an MC with an MPC | stay in the Lord's face | never let your tank empty | and He'll keep your life blocked frame for frame like .. [Mac the Doulos] I'm never | apologetic for the apologetic rhetoric | keep my head in the text | of the Testament | more than speech | we heed what we read in it | tryin' bring the lost to the cross and show em how we reppin' it | these unsaved MC's | ain't giving Jesus His due | tryin' play Him weak | T.R.U.-L.I.F.E taught me how to make them beats | so Christ and the MC's can take these streets | we tryin' move men to move with the movement | and preach the gospel that makes more movement [Ambassador] look at the cross look at the grave look at the Son up high | looking to celebrate His ways whether on stage or not | ghetto raised but hello grace came oh my | now no more gettin' drunk no more cain no lye | you got attacked dun | but a cross really was strapped on | the back on | of Him Who got beat like a Rap song | He passed on | Peter & John said (yo the Cat's gone) | laid Him down day 3 the ladies found (it's back on) | we relay it like a baton | you can't stop it it's an elephant and you are getting sat on [Iz-Real] ... [FLAME] I'm not concerned at all | of whether or not these people remember me | I'm reminded of Timothy that was passed the baton | if I can pass on the passion that was passed to me |

through the work of the Trinity using C-M-R | then Amen | mic to my mouth Bible in hand
tears in my eyes taking a stand | until The Second Coming | He gripped my soul now I'm sold
out | ignited a Fire that won't go out | sound doctrine | this ain't stopping | Christ teaching | the
absolute truth | I'll keep preaching [Da' T.R.U.T.H.] ...
