

Change (feat. Zach Callison)

Steven Universe

[STEVEN]

I can make a promise
I can make a plan
I can make a difference
I can take a stand
I can make an effort
If I only understand
That I, I can make a change

You can make a difference
You can make it right
You can make it better
We don't have to fight
You can make an effort
Starting with tonight
'Cause you
You can make a change
