

Let's Get to It

Thi'sl

INTRO:

They say your boy got that soul glow
And I stay in go mode
They say what you let me go for
I'm what you sell your soul for

CHORUS:

Don't let them lights blind you
Cause their fame could be a dirty game
I pray to God that your boy never change
Until the day I'm done I'mma stay the same
Gotta feed the kids trying to feed the game

Verse 1:

I'm grinding, grinding
I'm constantly reminded, reminded
All my worst days behind me, behind me
And there ain't no rewinding, rewinding
Oh, oh, oh, oh
Bout to shake it up
Like I'm gon tend the fold
Let it go
Oh, oh
Clear the table
And don't leave nothing on the floor
Oh, oh
And the whole team with me
We ain't stopping til the whole team winning
You in the way boy if you ain't with it
I'mma bring right back don't need a minute

CHORUS:

Don't let them lights blind you
Cause their fame could be a dirty game
I pray to God that your boy never change
Until the day I'm done I'mma stay the same
Gotta feed the kids trying to feed the game
