

# Lift Off (feat. Beyoncé)

## JAY-Z & Kanye West

We gon' take it to the moon, take it to the stars  
How many people you know can take it this far?  
I'm supercharged

I'm 'bout to take this whole thing to Mars

Now we gon' take it to the moon, take it to the stars  
You don't know what we been through to  
make it this far

So many scars

'Bout to take this whole thing to Mars

(Lift off)

Lift off, takin' my coat off

Showin' my tattoos, I'm such a showoff (Huh?)

I feel the pain and then rolled off

I got the whole city, they about to go off

How many niggas wit' me up in this bitch?

How many people wanna roll with me now?

Like you know na na na, you know me by now

Know me, know me by now

We gon' take it to the moon, take it to the stars  
How many people you know can take it this far?  
I'm supercharged

I'm 'bout to take this whole thing to Mars

Now we gon' take it to the moon, take it to the stars  
You don't know what we been through to  
make it this far

So many scars

'Bout to take this whole thing to Mars

(Lift off, ahh, ahh)

Like you know na na na, you know me by now

Know me, know me by now

you know me know me by now

Know me, know me by now...

Lift off Rappers hear watch the throne

They gon be pissed off

Earth is boring to em

Shit is making my dick soft

When you Earnhart as me eventually you hit a big wall

5-4-3-2 we need fuel

Lift off

We gon' take it to the moon, take it to the stars  
How many people you know can take it this far?  
I'm supercharged

I'm 'bout to take this whole thing to Mars

Now we gon' take it to the moon, take it to the stars  
You don't know what we been through to  
make it this far

So many scars

'Bout to take this whole thing to Mars

(20 seconds and counting)(T-minus 15 seconds, guidance is internal)

(Ignition sequence start)

(Zero, all engine running)

(Lift off, we have a liftoff)

(We gon' take it to the moon, take it to the stars)

(We gon' take it to the moon, take it to the stars)

(How many people you know can take it this far?)

(Take it to the stars)

(How many people you know can take it this far?)

(Now we gon', now we gon', now we gon'...)
