[Intro:] Shake, shake [x5][Verse 1:] Get them up ma Shake with this beat and the cut  
Man I love a seniorita with a struct I'm a boss Casanova  
On it to be known and a sauce that's sweeter than a Japanese at kita palm  
Her name is Rita, chrome piece from medina  
With enough cool oh to do Judo on your peter pater puff  
Mama me your feet look diamond in the rough  
Tore off my wife beater as I'm climbing in your truck  
She's coasting with a selfish track  
Young hoe unlimited, boomerang bending it, killing it  
Hard body sex extending it  
Met her by the swerve thirty third and lex tennamin  
Shaking that ass we'll be out for a splash  
In a juke joint jam long twist on the glass  
Seniorita is first class beautiful like water in a rubus deuce  
Swimming with this chocolate down her cooler  
Smash, smash

Poke fiction, coke flick coke  
Smash Culprit passion, adult swim, trash  
I started singing them older men songs to this athletic chic with yoga pants on  
And she had a yoga matt a lied told her that I always wanted to try beat crumbs  
She said I don't believe you touch your toes  
I said the sidewalk is not for teaching  
Yo, she had a onion, no backbone  
Off the bat had it down with the OG dog hat though  
105 degrees heat in the studio  
Couldn't breathe for shit but looking at the booty though  
Judy truly knows how to stretched do her duty though  
So after class so they sex in the movie oh smashed
