

# If You C Jordan

## Something Corporate

[Verse 1]

I have a story, a bitter anthem  
For everyone to hear  
About this kid who just don't like me  
And that's a solid fact  
They say he's hunting me, and as you see  
I'm all swelled up with fear  
Cause I can't get him off my back

[Chorus]

If you see Jordan (if you see Jordan)  
He makes me sick (he makes me sick)  
High school's over (high school's over)  
And you still won't quit

[Verse 2]

You try to fight me down at Tyler's beach  
And man I think that's great  
You nearly cried and said to yell at you  
Like I do at all the girls  
And you drove home real quick  
Did you make it in time to masturbate?  
There's one too many of you in this world

[Chorus]

If you see Jordan (if you see Jordan)  
He makes me sick (he makes me sick)  
High school's over (high school's over)  
And you still won't quit

[Verse 3]

You say it's chivalry, but it's jealousy  
That led us to this song  
Won't play it often, just at least until you're gone  
You'll stop at nothing but the real thing  
And everything up to that's pretend  
You tried to brainwash all my friends

[Chorus]

If you see Jordan (if you see Jordan)

He makes me sick (he makes me sick)  
High school's over (high school's over)  
And you still won't quit

[Chorus 2]

Fuck you, Jordan (fuck you Jordan)  
You make me sick (you make me sick)  
High school's over (high school's over)  
I don't care if you dye your hair  
You'll always be a little, redhead bitch
