

Bad (feat. Vassy)

David Guetta & Showtek

I said: "Why does it feel so good, so good to be bad?"
Getting what I want, boy
Why does that make you so mad? You see, why does it feel so good, so good to be bad?
'Cause if it's trouble that you're looking for
Oh, baby, here I am
Then, baby, here I am I said: "Why does it feel so good, so good to be bad?" I said: "Why does it
feel so good, so good to be bad?"
Getting what I want, boy
Why does that make you so mad? You see, why does it feel so good, so good to be bad?
'Cause if it's trouble that you're looking for
Oh, baby, here I am
Then, baby, here I am
I said: "Why does it feel so good, so good to be bad?"
