

# Spent the Day in Bed

Morrissey

[Verse 1]

Spent the day in bed  
Very happy I did, yes  
I spent the day in bed  
As the workers stay enslaved  
I spent the day in bed  
I'm not my type  
But I love my bed  
And I recommend that you

[Chorus]

Stop watching the news  
Because the news contrives to frighten you  
To make you feel small and alone  
To make you feel that your mind isn't your own

[Verse 2]

I spent the day in bed, it's a consolation  
When all my dreams are perfectly legal  
In sheets for which I paid, I am now laid  
And I recommend to all of my friends that they

[Chorus]

Stop watching the news  
Because the news contrives to frighten you  
To make you feel small and alone  
To make you feel that your mind isn't your own

[Bridge]

Oh time, do as I wish  
Time, do as I wish  
Oh time, do as I wish  
Time, do as I wish  
Oh time, do as I wish  
Time, do as I wish  
Oh time, do as I wish, do as I wish

[Verse 3]

I spent the day in bed  
You can please yourself, but

I spent the day in bed  
Pillows like pillars  
Life ends in death  
So, there's nothing wrong with being good to yourself  
Be good to yourself for once!

[Outro]

And no bus, no boss, no rain, no train  
No bus, no boss, no rain, no train  
No bus, no boss, no rain, no train  
No emasculation, no castration  
No highway, freeway, motorway  
No bus, no boss, no rain, no train  
No bus, no boss, no rain, no train  
No bus, no boss, no rain, no train
