

Money Dance (feat. Jean Deaux)

DUCKWRTH

[Intro: DUCKWRTH]

Money Dance

Money Dance

Ok, get your money right, ooh

[Verse 1: DUCKWRTH]

Mama got a check

Triple-digit, little flex

Mama, mama got that money in her hand (hand, hand)

I know you was upset that the world was at your neck

But now you got that money in your hand

Do your dance, ma

Do your money dance

Twenty, fifties, couple bands

Comma, comma twenty grand in your hand

Momma got that check

Motherfuck that college debt

We gonna function like its 2000-and it don't really matter

[Chorus: DUCKWRTH]

It's your new jam

Do your money dance (ooh, mama)

It's your new jam

Do your money dance (twenty, fifties)

It's your new jam

Do your money dance (do, do)

It's your new jam

Get your, get your money right

[Verse 2: DUCKWRTH]

Mama got a bag

Just might pull up in a Jag

Mama, mama got that money in her bag

Swing that Louis clutch

'Til the world can't get enough, bigger bucks

If you sus, keep that hate just slightly tucked

Yeah, yeah ma, doing your money step

Double back, swinging your check

Criss and cross, hit 'em in the chest

Pay your bills, yeah, yeah, momma ain't stressed

Ain't gotta get the car repossessed

Cop some land, nigga might invest

Mama hit that flex

You the best, you the best, you the ow

[Chorus: DUCKWRTH]

It's your new jam
Do your money dance (ooh, mama)
It's your new jam
