

Lion's Den

Teminite & PsoGnar

[Verse]

Near the end
Rough me up and throw me to the lion's den
Can hear him say
My son, keep it or leave it
Right before the bad man sees it
You got to know
Soon I'll be up and unchained
And you'll have your war
Yeah, soon I'll be unrestrained
You'll slay no more

[Hook]

And it's plain to see
We burn higher
Light up now
In this lion's den
We burn higher
Light up now
And it's plain to see
We burn higher
Light up now
In this lion's den
We burn higher
Light up now
(Light up now)
(Light up now)
Light up now

[Drop]

In this lion's den, we burn

[Verse]

Near the end
Rough up me and throw me to the lion's den
Can hear him say
My son, keep it or leave it
Right before the bad man sees it
You got to know
Soon I'll be up and unchained

And you'll have your war
Yeah, soon I'll be unrestrained
You'll slay no more

[Hook]

And it's plain to see
We burn higher
Light up now
In this lion's den
We burn higher
Light up now
And it's plain to see
We burn higher
Light up now
In this lion's den
We burn higher
Light up now
(Light up now)
(Light up now)
Light up now

[Drop]

In this lion's den, we burn

[Outro]

Throw me to the lion's den
(The lion's den, the lion's den, the lion's den)
(The lion's den, the lion's den, the lion's den)
And it's plain to see
We burn higher
Light up now
In this lion's den
We burn higher
Light up now
