

Firepower (Levella Remix)

Datsik

[Verse 1]

Wildstyle, always been a foul child
My guns go boom boom and your guns go-
I got the wildstyle, always been a foul child
My guns go boom boom and your guns go-
I got the wildstyle, always been a foul child
My guns go boom boom and your guns go-
I got the wildstyle, always been a foul child
My guns go boom boom and your guns go... blaow

[Hook x2]

My firepower keep me-
Motherfucker what
Then I make my trigger finger-
And I wipe motherfuckers-

[Verse 2]

I got the wildstyle, always been a foul child
My guns go boom boom and your guns go-
I got the wildstyle, always been a foul child
My guns go boom boom and your guns go... blow

[Verse 3]

I got the wildstyle, always been a foul child
My guns go-
I got the wildstyle, always been a foul child
My guns go-
I got the wildstyle, always been a foul child
My guns go-
I got the wildstyle, always been a foul child
My guns go-

[Hook]

My firepower keep me-
Huh
Motherfucker what

And I wipe motherfuckers-
