

# I'm Turnt

Lecrae

Check it  
Look at me I'm all the way turnt up  
I ain't smoking but my homie in here burnt up  
Yeah, I'm working on him, but he straight though  
Couple girls trying to twerk it on me, wait- no  
NO, hold up  
Before you even roll up I'm in here with my lady  
Can't you see me man? I'm sewed up  
Man I'm in here trying to celebrate a birthday  
And you know I'm well aware it's a work day  
No matter, we still gon' kick it  
And we ain't getting trippy, no molly in my sippy  
Ain't fighting nobody, ain't nobody said tripping  
It's Southeast Diego in the building  
Shoutout to Peter Pan, Skyline Imperial  
We out here trying to function, holler if you with it though  
Prolly think I'm rolling, I'm just high on the spirit bro  
The only thing we popping is the truth, you don't hear me though  
They prolly think I'm rolling, I ain't on nothing  
They prolly think I'm rolling, I ain't on nothing  
They prolly think I'm rolling, I ain't on nothing  
They prolly think I'm rolling, I ain't on nothing  
nothingBut what I got you need to know about 'cause homieI'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)I'm turnt (I'm turnt)I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
Everybody slow-motion leaning off the potion  
I tell em I'm straight trying to keep my mind focused  
Came 40 deep cliqued up, crew love  
Got em' looking at us crazy cause we so turnt up  
Yeah homie I'm turnt, I'm turnt, I'm turnt, I'm turnt  
I ain't popping, rolling and I ain't burnt  
So tell Mary and Molly I don't need em' to party  
Someone woke up in the lobby trying to locate they wallet  
While I'm nine holes in trying to work on my hobby  
And I wish somebody would get me started  
Aye deuces up to Nipsey, K-dot and Game  
I'm out here in the west gone and holler at me man  
My blood stream clean, nothing running through my veins  
Its 116, yeah I'm still Unashamed  
I call it network if I'm out here fishing  
You know I'm with the clique and man we out here tryna kick it  
You know we Turnt

They prolly think I'm rolling, I ain't on nothing  
They prolly think I'm rolling, I ain't on nothing  
They prolly think I'm rolling, I ain't on nothing  
But what I got you need to know about 'cause homie  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)  
I'm turnt (I'm turnt)
