

Party All the Time

Eddie Murphy

[Verse 1]

Girl, I can't understand it why you want to hurt me
After all the things I've done for you
I buy you champagne and roses put diamonds on your finger
(Diamonds on your finger)
Still, you hang out all night
What am I to do?

[Chorus 1: Eddie Murphy & Rick James]

My girl wants to party all the time
Party all the time
Party all the time
My girl wants to party all the time
Party all the time
She parties all the time

[Bridge 1: Rick James]

(Party all the time)
She likes to party all the time
(Party all the time)
(Party all the time)
She likes to party all the time
(Party all the time)

[Verse 2]

Girl, I've seen you in clubs just hanging out and dancing
You give your number to every man you see
You never come home at night because you're out romancing
I wish you bring some of your love home to me

[Chorus 2: Eddie Murphy & Rick James]

But my girl wants to party all the time
Party all the time
Party all the time
My girl wants to party all the time
Party all the time
Party all the time
My girl wants to party all the time
Party all the time
Party all the time

My girl wants to party all the time
Party all the time, yeah

[Bridge 2]

(Party, party)

She likes to party all the time
(Party, party, party, party, party)

[Outro: Rick James]

She likes to party all the time, yeah

She lets her hair down

She likes to party down

She likes to party

She likes to party down

(Party all the time)

Oh, now get down and party, yeah

(Party all the time)

(Party all the time)
