## Allday

You are listening to another Allday Chubby Boy mixtape  
Hosted by none other than me, Allday Chubby Boy

I ain't been to Tokyo, I never been to Paris  
I ain't got no money but she still call me daddy  
Send a photo to my phone, she ain't got no panties  
Got me thanking god like I just won a grammy

Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a, won a

Look at you now and it have me going wild  
Did two pills back at the show tonight  
Got me spending money like a dad with no time  
Got me spending time like a dad when he retire  
I was dreaming of this rap shit back in 09  
Laughing at the battles and it made me so defiant  
With a backpack, rapping on tracks that no one liked  
Ain't the same one that I carry on my flights  
That was 300 bucks from an online store  
That use to be a weeks pay oh my god  
Now I'm halfway there at least quasi toward  
What I said I'd do I gave my whole life for it  
Never went to school Ferris Bueller  
When I was starving now my belly fuller  
Got me thinking of the girls who took it  
Back when I had not any moolah  
Just singing

I ain't been to Tokyo, never been to Paris  
I ain't got no money but she still call me daddy  
Send a photo to my phone, she ain't got no panties  
Got me thanking god like I just won a grammy

Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a, won a

Wonder if I like the way I became  
(Oh fuck I seriously don't know though)  
I can't change anyway  
Came a long way from the 8 o'clock train  
Razor blade in my hand tryna make it off safe  
With my phone cut off always pay it off late  
Now a text in my phone and it sayin' your name  
Damn girl  
I could marry that booty in a chapel  
Maybe even you as well  
'Cos baby we're all living in a mad world  
Told my brother never trade for a bad girl  
'Coz bad girls there is always ample  
And if she don't make you wear an ansell  
That means you better wear an ansell  
Now you're singing

I ain't been to Tokyo, I never been to Paris  
I ain't got no money but she still call me daddy  
Send a photo to my phone, she ain't got no panties  
Got me thanking god like I just won a grammy

Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a, won a

Never win a grammy for this bullshit  
I'll probably never get married to a woman  
I'll probably be back in my mum's garage choofin

And if your weed refracts light then it's good shit  
But I need awards like a need a new chick  
Not at all they both make me too sick  
Say I'm a square like cubic the truth is  
I prefer being indoors making music  
I thought I was getting married to a girl  
Already did so much damage to myself  
I said that I wouldn't start travelling the world  
Until they paid me then my rapping started to sell  
I'm going on an aeroplane  
And I don't know if I'll be back again  
You know the time is wrong for guarantees  
Like a watch without no batteries  
I'm not real honest but I'm not quite a liar  
New girl on my pole like a damn fire fighter  
Her genes so good that I bust right inside her  
Never meet your idols never fuck your idols either

I ain't been to Tokyo, I never been to Paris  
I ain't got no money but she still call me daddy  
Send a photo to my phone, she ain't got no panties  
Got me thanking god like I just won a grammy

Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a grammy  
(Ooh girl let me see it)  
(Ooh girl I'ma eat it)  
(Ooh girl got me singing)  
(Ooh girl got me singing)  
Like I won a, won a
