

Young Girl/I Really Like You (feat. Jay-Z)

Pharrell Williams & Snoop Dogg

(you know listen to me) Mama help i fell in love with a young girl (thats true, so true)
(you're the only girl i love to) My heart was soakin and i will be in a young world (so true, so true, listen) I wasn't tryin to lead her on

See i didn't wanna be alone

But when she smiles she braught me home

So i braught her home,

Its not that the fealin of love is gone

Cant expect a car little girl to be grown

I cant give a fuck what so and so says

Crushes hurt both ways

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do Mama help i fell in love with a young girl! What on earth, what i'm suppose to do

Young girl, so in love with you

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do My heart was soakin and i will be in a young world! What on earth, what i'm suppose to do

Young

Young girl, so in love with you

The single girls are out tonight

But you have one word, my heart, one life

And i'm not lookin around

So why you lookin down

(what you lookin down for?) I fucked up a long time ago

See i should have never let you know

See i couldnt give a fuck what tabloids say

(as the people magazine)

And crushes hurt both ways What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do Mama help i fell in love with a young girl! What on earth, what i'm suppose to do

Young girl, so in love with you

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

What on earth, what i'm suppose to do

Somebody tell me what i'm suppose to do My heart was soakin and i will be in a young world! What on earth, what i'm suppose to do

Young girl, so in love with you
Hove got a young girl
Still not quite 21
So high string
Such a vibrant thing
I introduce myself, (hi miss thing)
You're 19?
No, you're lighting in a bottle i give you a ring tomorrow
The scene that follows
Screams of horror
Classic Steven King novel
Mamma dont think you should take someone so advanced in romance
You should just wait
Pappa dont preach
Hove dont bight
Hopin threw it i might mo your life
Cuz ima show you right
Proper etecit how to hold your knife
Keep it competetive with Opras? ice?
Be like Janet (take controll of your life)What on earth, what i'm suppose to do
(young girl)
What on earth, what i'm suppose to do (young girl)
What on earth, what i'm suppose to do
(young girl)
Somebody tell me what i'm suppose to do
(young girl)Mama help i fell in love with a young girl!What on earth, what i'm suppose to do
(to young, i'm never to young)
Young girl, so in love with you
(cuz i'm never to young)
What on earth, what i'm suppose to do
(to young, i'm never to young)
What on earth, what i'm suppose to do
(cuz i'm never to young)
What on earth, what i'm suppose to do
(to young, i'm never to young)
Somebody tell me what i'm suppose to do
(cuz i'm never to young!)My heart was soakin and i will be in a young world!What on earth,
what i'm suppose to do
Young girl, so in love with you(this is where the story begins baby)
