

# Falling Down

Atreyu

[Verse 1]

You're always looking back  
Running from the past  
You're always sweating me  
About the next big heart attack  
You're looking over your shoulder  
Staring down the path

[Pre-Chorus]

I'm falling down  
Falling down  
Falling down

[Chorus]

It's in your head  
All the voices mistaken  
Shake it off, shake it off  
We're all dying in the end  
It's in your head  
All the voices mistaken  
Shake it off, shake it off  
We're all dying in the end

[Verse 2]

I terrify me, images so horrible (So horrible)  
To clear my thoughts  
I'd drill a hole into my skull (Aah!)  
Clean up my brains  
And sweep them underneath the rug  
I need them more  
Than I needed any other drug

[Pre-Chorus]

I'm falling down  
Falling down  
Falling down

[Chorus]

It's in your head  
All the voices mistaken

Shake it off, shake it off  
We're all dying in the end  
It's in your head  
All the voices mistaken  
Shake it off, shake it off  
We're all dying in the end (Dying in the end)  
Dying in the end

[Bridge]

Hey!  
Hey!  
Hey!  
Come on!

[Guitar Solo]

[Pre-Chorus]

I'm falling down  
Falling down  
Falling down

[Chorus]

It's in your head  
All the voices mistaken  
Shake it off, shake it off  
We're all dying in the end (Dying in the end)  
It's in your head  
All the voices mistaken  
Shake it off, shake it off  
We're all dying in the end (Dying in the end)  
Dying in the end

[Outro]

Hey!  
Hey!  
Sing it!
