

Diamond Dave

The Bird and the Bee

When I was a child
You captured my devotion
I spent so many hours
Exploring mixed emotions
All of the ways you spoke to me
All of the things you provoked in me
I'll always love you
Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember
I still carry such a flame
When you left the band
I couldn't understand it
But I've forgiven you
Now that you've recommitted
All of the time you spent away from me
All of the missed opportunity
I'll always love you
Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember
I still carry such a flame
Come on, Dave
Show me what you got
I can take it
I'll always love you
Diamond Dave
No one can hold a candle
Nothing else is quite the same
Pretty Dave, I'll always remember
Diamond Dave, I'll always remember
Pretty Dave, I'll always remember
I still carry such a flame
