

# White Noise (feat. Aluna George)

## Disclosure

    I know you're smart.  
    You spin me round like a knot  
    You know the pieces, pieces of my heart.  
    Sometimes its fun, you pull my strings one by one.  
    Until you get me, get me, onto one.  
Lately I've been thinking if you wanna get tough, then let's play rough.  
Lately I've been thinking if you wanna get tough, then let's play rough.  
    I don't need you, giving it straight to me, giving it straight to me  
        Just gonna get my back.  
    I don't need you, telling me how to be, telling me how to be  
        Just gonna get my back.  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Back, back, back  
        Back, back, back  
        Back, back.  
    Just noise, white noise.  
    Just noise, white noise.  
    I'm hearing static, you're like an automatic  
    You just wanna keep me on repeat and hear me crying.  
        Just noise, white noise.  
        Just noise, white noise.  
    I'm hearing static, you're like an automatic  
    You just wanna keep me on repeat and hear me crying. Only you can look at me the way you do  
        You always tint me tint me black and blue  
        Such a shame, you frame me with such disdain  
        You got me washed out, washed out colour drained.  
Lately I've been thinking if you wanna get tough, then let's play rough.  
Lately I've been thinking if you wanna get tough, then let's play rough.  
    I don't need you, giving it straight to me, giving it straight to me  
        Just gonna get my back.  
    I don't need you, telling me how to be, telling me how to be  
        Just gonna get my back.  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Just gonna get my back  
        Back, back, back

Back. back, back  
Back, back.  
Just noise, white noise.  
Just noise, white noise.  
I'm hearing static, you're like an automatic  
You just wanna keep me on repeat and hear me crying.(Hear me crying)  
(Hear me crying)  
(Just noise)  
(Just noise)
