

# It's Amazing

## Jem

Do it now, you know who you are.  
You feel it in your heart  
And you're burning with ambition  
At first, wait, won't get it on a plate  
You're gonna have to work for it  
Harder and harder  
And I know 'cause I've been there before  
Knocking on the doors with rejection  
And you'll see 'cause if it's meant to be  
Nothing can compare to deserving your dream  
It's amazing, it's amazing  
All that you can do  
It's amazing, makes my heart sing  
Now it's up to you  
Patience, now frustrations in the air  
And people who don't care  
Well, it's gonna get you down  
And you'll fall, yes you will hit a wall  
But get back on your feet  
And you'll be stronger and smarter  
And I know 'cause I've been there before  
Knocking down the doors, won't take no for an answer  
And you'll see 'cause if it's meant to be  
Nothing can compare to deserving your dream  
It's amazing, it's amazing  
All that you can do  
It's amazing, makes my heart sing  
Now it's up to you  
Don't be embarrassed, don't be afraid  
Don't let your dreams slip away  
Determination using your gift  
Everybody has a gift  
Never give up, never let it die  
Trust your instincts and most importantly  
You've got nothing to lose  
So just go for it  
It's amazing, it's amazing  
All that you can do  
It's amazing, makes my heart sing  
Now it's up to you  
It's amazing, it's amazing  
All that you can do  
It's amazing, makes my heart sing  
Now it's up to you
