

Holla

LANKS

[verse 1]

Add it to the pile, it's a staple now
Still the coins in the jar get put back somehow
Maybe it's better to find you're running out
Then at least it's placed beyond all doubt

[Chorus]

But our love is what you wanna be
There's hope as long as long as you believe
Climb up, the branch is breaking free
Reach forward holler out to me

[verse 2]

It's a thought that spares your feelings low
A confusion that fills it up the most
Try and build it back up from the ground or go
Cause the space in the middle is devoid of growth

[Chorus]

But our love is what you wanna be
There's hope as long as you believe
Climb up, the branch is breaking free

Reach forward, holler out to me

Reach forward holler out to me

Reach forward holler out to me

You're not alone x 8

Reach forward holler out to me. x4
