

Caught In the Fire (feat. DV8 Rocks)

Endymion & Frequencerz

Go, hit the core, beg for more
We know it's what you desire
Come, feel the flame, feel the pain
You're getting caught in the fire
Go, time is now, feel the pain
You're getting caught in the fire
Go, hit the core, beg for more
We know it's what you desire
Come, feel the flame, feel the pain
You're getting caught in the fire
